## Write to us!

There are three addresses you can use:

- Bugs Reports.
- Write to the Authors.
- a2ps Mailing List.

---

## Bugs Reports

If you have a problem, once you have read the FAQ and known bugs page, send a mail to bug-a2ps@gnu.org in which you specify the version of a2ps, your system, and a complete report.

---

## Write to the Authors

We are Akim Demaille demaille@inf.enst.fr and Miguel Santana santana@st.com. Don't hesitate to tell you're happy with a2ps. And well, even if you don't like it ;)

## a2ps Mailing List

There is a mailing list in which you may find information, comments, announcements about a2ps.

**Don't report bugs**, don't ask questions about usage of a2ps, or about the problems you encounter on the list. Remember that when you write there, each member of the list will receive your mail. If you have a question, ask to the authors, if you have bugs, report them to bug-a2ps@gnu.org. Make sure to read the FAQ and the known bugs page.

To subscribe, send a mail to a2ps-request@gnu.org with `subscribe` as subject. Or `unsubscribe` to unsubscribe.

To send a mail to the list, mail to a2ps@gnu.org. There is an archive of the mailing list.
