

# ERMX Jumps Into Huge Advanced Nitride Super Conductors!

EntreMatrix Inc. (ERMX)  
\$0.16

ERMX has just announced  
it involvement in a joint  
venture to manufacture  
Advanced Nitride Devices.  
These have Military  
application as well as  
Energy Super Conductors.  
This takes ERMX to a  
whole new level. Google  
"Nitride Devices" and get  
on ERMX first thing  
Monday!
