

2015 July 25 Creating a duplicate product that can be edited in GNU Health

The screenshot displays the GNU Health software interface. The window title is "Tryton - Administrator - GNU SOLIDARIO HOSPITAL [Euro]". The main menu includes "File", "User", "Options", "Favorites", and "Help". On the left, a navigation tree shows various modules: Party, Configuration, Parties, People, Addresses, Categories, Product, Financial, Currency, Inventory & Stock, Purchase, Calendar, and Health. The "Products" module is selected, and the "Products" form is open. The form title is "Products" with a page indicator "1 / 3". The "Name" field contains "paracetamol" and is marked as "Active". The "General" tab is active, showing fields for "Type" (Goods), "Category" (Medicaments / WHO essential Medicines), "List Price" (0.0000), "Cost Price" (0.0000), "Default UOM" (Unit), and "Cost Method" (Fixed). There are checkboxes for "Consumable" and "Purchasable". Below the main form, there is a "Variants" section with a "Code" field and an "Active" checkbox. The "Health" section includes checkboxes for "Medicament" (checked), "Medical Supply", "Vaccine", "Bed", and "Insurance Plan". A "Description" text area is located at the bottom of the form. The status bar at the bottom shows the URL: "tryton://gnuhealth28.ioss.com.ph:8000/gnuhealth28_demo/model/product.template/30;views=%5B108%2C+107%5D".

2015 July 25 Creating a duplicate product that can be edited in GNU Health

The screenshot displays the GNU Health software interface. The window title is "Tryton - Administrator - GNU SOLIDARIO HOSPITAL [Euro]". The main menu includes "File", "User", "Options", "Favorites", and "Help". A search bar is located at the top left. The left sidebar contains a tree view with categories: Party, Configuration, Parties, People, Addresses, Categories, Product, Financial, Currency, Inventory & Stock, Purchase, Calendar, and Health. The "Product" category is expanded, showing sub-items like Products, Variants, Categories, Units of Measure, and Product Suppliers. The main area shows the "Products" form for "paracetamol". The form has tabs for "General", "Lots", and "Accounting". The "General" tab is active, showing fields for Type (Goods), Category (Medicaments / WHO essential Medicines), List Price (0.0000), Cost Price (0.0000), and Cost Method (Fixed). There are checkboxes for "Consumable" and "Purchasable". A "Variants" section is visible with a "Code" field and an "Active" checkbox. Below this, there are checkboxes for "Medicament" (checked), "Medical Supply", "Vaccine", "Bed", and "Insurance Plan". A large "Description" text area is at the bottom. A green notification bar at the top right says "Working now on the duplicated record(s)!" and "4 / 4". The URL at the bottom is "tryton://gnuhealth28.ioss.com.ph:8000/gnuhealth28_demo/model/product.template/403;views=%5B108%2C+107%5D".

2015 July 25 Creating a duplicate product that can be edited in GNU Health

The screenshot displays the GNU Health software interface. The window title is "Tryton - Administrator - GNU SOLIDARIO HOSPITAL [Euro]". The main menu includes "File", "User", "Options", "Favorites", and "Help". A search bar is located at the top left. The left sidebar contains a tree view of the application's structure, with "Products" selected under the "Product" category. The main area shows the "Products" form for a product named "paracetamol pc". The form has a "Record saved!" notification and a "4 / 4" indicator. The "Name" field is "paracetamol pc" and the "Active" checkbox is checked. The "General" tab is active, showing fields for "Type" (Goods), "Consumable" (unchecked), "Category" (Medicaments / WHO essential Medicines), "Default UOM" (Unit), "List Price" (5.0000), "Cost Price" (4.5000), and "Cost Method" (Fixed). The "Purchasable" checkbox is unchecked. Below the form, there is a "Variants" section with a "Code" field and an "Active" checkbox. The "Health" section includes checkboxes for "Medicament" (checked), "Medical Supply" (unchecked), "Vaccine" (unchecked), "Bed" (unchecked), and "Insurance Plan" (unchecked). The "Description" field is empty. The URL at the bottom of the browser window is "tryton://gnuhealth28.ioss.com.ph:8000/gnuhealth28_demo/model/product.template/403;views=%5B108%2C+107%5D".
